WE ARE THE IMAGE OF NURSING

Each of us has the freedom to choose who and what we are.

We are not machines.

We are not preprogrammed.

Now it is up to us to make of it what we want.

You have to take your life into your own hands and you are responsible for it.

You have to create yourself by your own effort.

The total responsibility is yours . . .

FRESHMAN CO-EDITOR
Deanna England

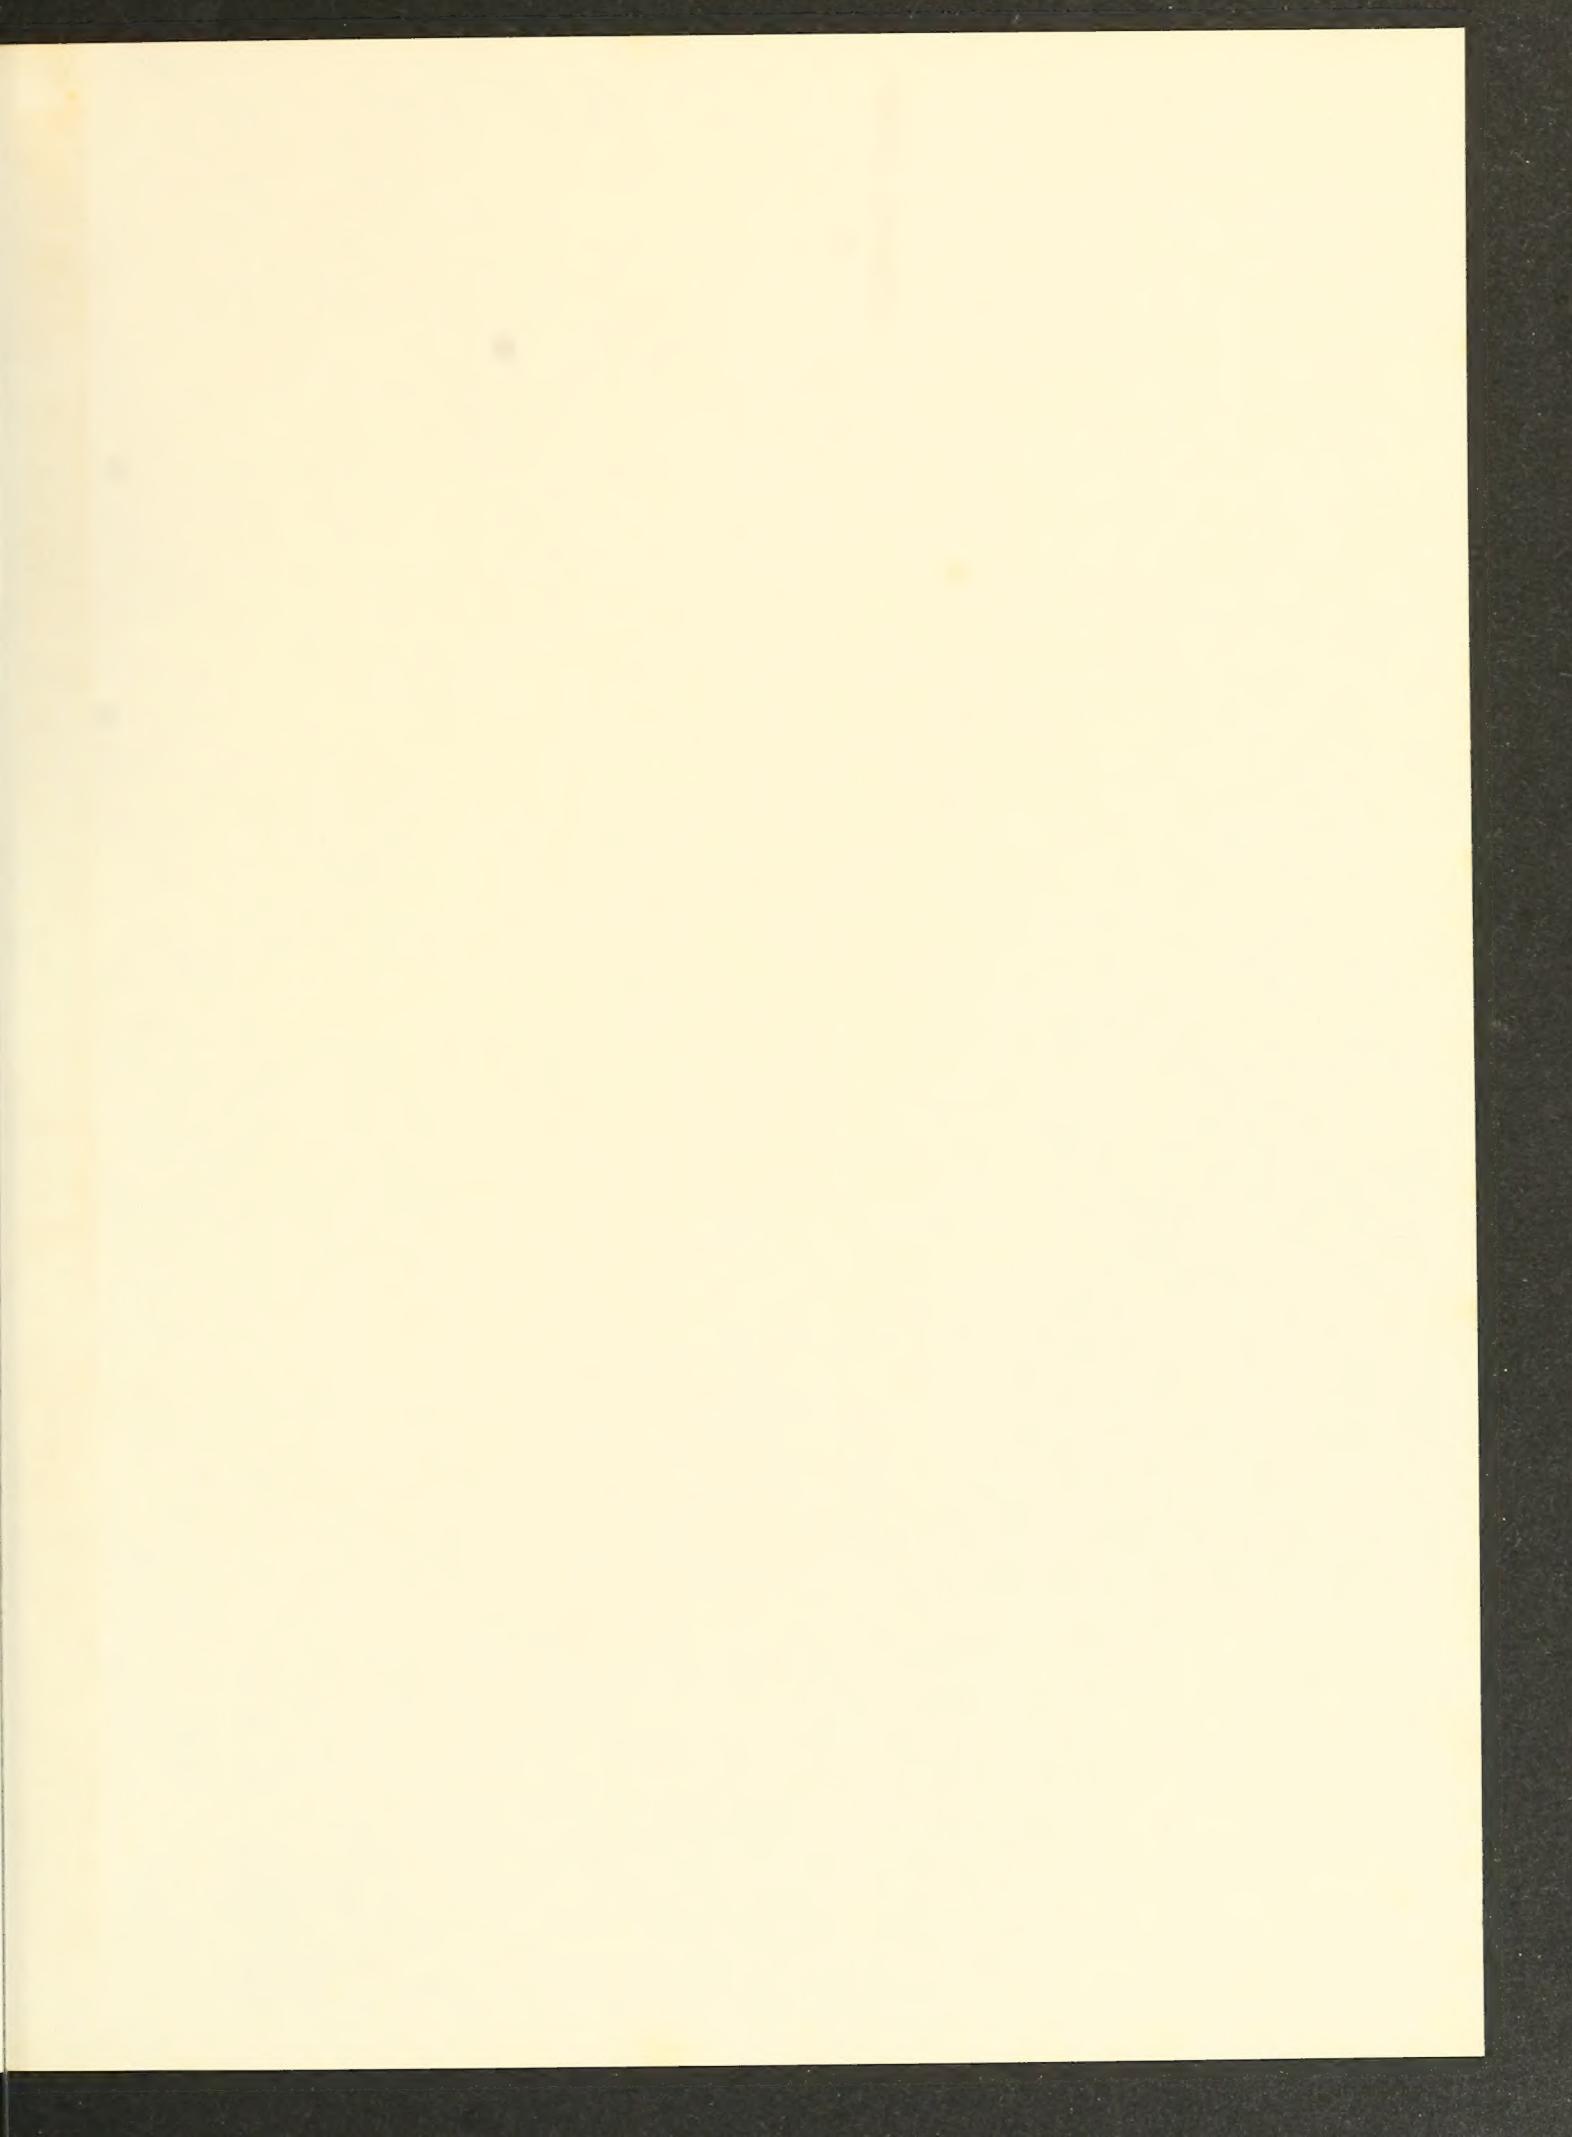

SENIOR CO-EDITOR
Jody Linker

EDITOR
Fern Hooks

This year at CMH has been a memorable time for me and part of those memories have been working with the Cap-n-Pin as Editor. I would like to thank all of the annual staff members for all their hard work and time, my two Co-editors who were always there with their supporting help and to Mrs. Fink and Mrs. Cline for their support and guidance that they have shown to me. I would also like to thank Mrs. Anita Brown and the faculty for all their help and guidance during my time here at Cabarrus. I hope that as the students and faculty look back at this annual you will have many pleasant memories of the times we spent together. I wish to the seniors much success in their nursing career and to the freshman lots of luck as they complete their nursing education. As I complete mine, I realize just how special and meaningful these past two years have been to me and as I leave I will take many special memories that will remain with me always.

Love,
Fern
